

THE GOLDEN EAGLE

Volume 14

Smiles Guaranteed

June 2026

FROM THE DIRECTORS:

HOORAY! School is ending and that means camp starts soon! Ruth Ann is so excited that she's been dancing on the playground (which is freshly painted)!

The staff is hired, the pools are crystal clear, the food has been delivered, and supplies are on the shelves waiting for campers to arrive. Our beautiful camp grounds

and our innovative programs shine as bright as our amazing Eagle's Landing staff. Why are they so amazing you ask? Whether they are new or returning, each staff member goes through 40+ hours of orientation and training. Division Leaders and Specialty Coordinators meet with their staff to review policies, procedures, and lesson plans unique to their campers' age group and area of instruction. Even our swim staff, kitchen staff, and bus drivers have their own orientations. All of these efforts are in place so that on June 29, when you put your camper on the bus or drop them off at camp, you can rest assured that they will be cared for by the best staff in the industry. Whether your child is a first-time camper or a camp veteran, they will be welcomed with bright smiles and an exciting summer schedule of events and activities.

This summer, MORE THAN EVER, we are ready to have fun. We thank you for choosing to share your summer with us. We are super excited and can't wait to see you!

-Barry, Ruth Ann, Hanna, & Katia
